

BCWMC Education and Outreach Subcommittee Meeting Notes from March 10, 2006

Subcommittee Members Present:

Mary Gwin-Lenth, Liz Thornton, Richard Johnson, Margie Vigoren, Ginny Black and Pauline Langsdorf

Meeting Notes

The Bassett Creek Education and Outreach Subcommittee (EOSC) met on March 10, 2006 in the Golden Valley City Council Committee Room at 9:00 a.m. We worked on developing a draft budget for the EOSC for 2007. This discussion included reviewing items in previous and present BCWMC budgets which we categorized as education and outreach and items we would like to see added in order to better carry out the Chapter 11 of the Second Generation Plan.

Items we considered Education and Outreach in the current 2006 BCWMC budget are:

- CAMP (volunteer lake monitoring)
- River Watch (volunteer stream monitoring)
- WaterShed Partners
- Publications/annual report
- Website maintenance
- Public Communications

Items under discussion for addition to the proposed EOSC 2007 budget are:

- Grant Program
- Public Opinion/Knowledge Survey (to be done jointly with other watersheds)
- Table Top Exhibit with graphics (for use at various venues)
- Portable Computer and CD-Rom (for various community venues)
- Enviroscope (for use at various venues)

The EOSC will meet on April 13, 2006, to further discuss and finalize our proposed budget for submittal to the BCWMC Budget Committee for consideration.
