**Re: Bassett Creek Watershed Erosion Control Inspections
July 1-3, 2009**

We have inspected construction sites in the Bassett Creek Watershed for conformance to erosion and sediment control policies. Listed below are construction projects and the improvements needed for effective erosion control. The sites were inspected July 1-3, 2009. Please review the following for your respective city.

City of Crystal

None to report

City of Golden Valley

Golden Ridge: Silt fence must be installed at northwest corner of site (adjacent to steep bank).

North Hennepin Regional Trail / Golden Valley Trail Phase 2: note comments from June 25, 2009 letter.

City of Medicine Lake

None to report

City of Minneapolis

Lowry Street Reconstruction: Erosion protection must be provided along soil stockpile perimeter located west of Penn Ave. on Lowry Ave. and adjacent to the Post Office; sand and sediment must be removed from streets, as necessary.

City of Minnetonka

None to report

City of New Hope

None to report

City of Plymouth

None to report

City of Robbinsdale

None to report

City of St. Louis Park

None to report
