Public Notice

(Official Publication)

BASSETT CREEK WATERSHED MANAGEMENT COMMISSION NOTICE OF PUBLIC HEARING Proposed Major Plan Amendment to the Bassett Creek Watershed Management Commission's September 2004 Watershed Management Plan

NOTICE IS HEREBY GIVEN that the Bassett Creek Watershed Management Commission (BCWMC) will meet at Golden Valley City Hall, 7800 Golden Valley Road, Golden Valley, Minnesota, on Thursday, May 16, 2013, and will hold a public hearing at 11:30 a.m. Interested persons are invited to attend. The purpose of the public hearing is to answer questions about the proposed major plan amendment to the BCWMC's September 2004 Watershed Management Plan and to hear testimony and comments of the public and the member cities regarding the proposed amendment. The proposed major plan amendment involves the following:

- Adding to the BCWMC's Capital Improvement Program (CIP) a project for 2014 (SL-3) to modify Schaper Pond, located immediately upstream of Sweeney Lake, to improve the pond's ability to remove phosphorous and help meet the Sweeney Lake Total Maximum Daily Load phosphorus removal goals. The estimated cost of this improvement is \$550,000.
- Adding to the CIP a project for 2014 (BC-7) to construct a water quality treatment pond in the Main Stem watershed to reduce phosphorus loading to Bassett Creek. The estimated cost of this improvement is \$200,000.
- Adding to the CIP a project for 2014 (TW-2) to provide in-lake alum treatment of Twin Lake, to address internal phosphorous loading issues in the lake and prevent further water quality degradation. The estimated cost of this improvement is \$148,000.

The proposed method by which the costs of the improvements are to be paid is a levy of an ad valorem property tax by Hennepin County on property within the Bassett Creek Watershed.

BASSETT CREEK WATERSHED MANAGEMENT COMMISSION
