

# SPEAK FOR THE CREEK

## Help set a course for cleaner waters

Make a difference in your watershed's future two ways:

### 1. Take the survey

Ten minutes of your time will help us shape ten years of direction for the future of Bassett Creek, Medicine Lake, Parkers Lake, Sweeney/Twin Lakes, Wirth Lake and many other waterbodies in the Bassett Creek watershed. Go to: <http://www.bassett-creekwmo.org> and let your voice be heard.

### 2. Attend the Bassett Creek Watershed Summit

Join the conversation and tell us what's important to you. Engage public officials, city planners, engineering staff, lake association members and others in a hands-on [Watershed Assessment Visioning Exercise](#). This kind of WAVE is a public participation forum that will help us craft a watershed plan that best addresses the concerns and values of watershed stakeholders...like you.
