Bassett Creek Watershed Management Commission Watershed Assessment and Visioning Exercise (WAVE) Survey

| C | OL | :+: | |
|--------|----|------|------|
| Survey | UD | ıecu | ves. |

- 1. To understand how residents interact with water resources
- 2. To understand how they feel about the quality of water resources
- 3. To understand most important criteria when they consider the quality of water resources
- 4. To understand who they think is responsible for protecting and improving water resources
- 5. To get their ideas for how water resources should be managed, improved, or protected

| Sui | rvey Qu | estions: | | |
|-----|----------|---|-----------------|--|
| 1. | What o | city do you live in? | | |
| | a. | Crystal | f. | New Hope |
| | b. | Golden Valley | g. | Plymouth |
| | C. | Medicine Lake | h. | Robbinsdale |
| | d. | Minneapolis | i. | St. Louis Park |
| | e. | Minnetonka | j. | Other |
| 2. | Do you | ubelong to a neighborhood or lake association? Ye | es or No | |
| | a. | If yes what Association do you belong to? | | |
| 3. | How d | o you use the lakes, streams, ponds and wetlands i | in your commı | unity or surrounding communities? (Choose |
| | all that | apply) | | |
| | a. | Swimming | f. | Walking or running on trails adjacent to the |
| | b. | Motor boating, waterskiing or jet skiing | | water |
| | C. | Canoeing, kayaking, or paddle boarding | g. | In what other ways do you use water |
| | d. | Fishing | | resources in your community? |
| | e. | Watching wildlife | | |
| 4. | How in | nportant are the lakes, streams, ponds and wetlan | ds to your qua | lity of life in your community? (Choose one |
| | and an | swer "e") | | |
| | a. | Very important | | |
| | b. | Somewhat important | | |
| | c. | Not important | | |
| | d. | They do not impact my quality of life one way or | the other | |
| | e. | If you chose a or b, describe how do the water re | sources impac | t life in your community? |
| 5. | Please | rank the overall quality of water bodies in your co | mmunity. (Ch | oose one and answer "f" and "g") |
| | a. | Excellent | | |
| | b. | Good | | |
| | C. | Fair | | |
| | d. | Poor | | |
| | e. | Very poor | | |
| | f. | Why do you believe the water resources currently | y have this qu | ality? |
| | g. | Are there one or two water bodies that stand out | t as having ver | y good or very poor water quality? If so, |
| | | which ones? | | |

| thata | 1 3 | | |
